EXPERIENCE

Full Stack Developer (2.5 years)
HealthAsyst Pvt.Ltd.

📅 Oct 2023 – Apr 2026

- Developed and maintained VCP CSR, an external-facing call center application handling payment-related queries, using Angular, ASP.NET Core Web API, and SQL Server.
- Led the migration of the VCP CSR application from Angular to Blazor, enhancing performance, maintainability, and user experience.
- Designed and implemented RESTful APIs to support virtual card creation, check processing, and imaging workflows, ensuring secure and reliable data handling.
- Built and optimized PDF generation and delivery mechanisms for virtual cards, integrating email and fax transmission for seamless customer communication.

PROJECTS

Quran Learning Website
`Blazor` `Supabase`

📅 Sep 2025 – Oct 2025

- Developed QuranCompanion, a web-based platform designed to enhance learning through an interactive and community-driven experience.
- Integrated YouTube video playlists using embedded URLs to allow users to watch and learn from curated Quranic lectures directly within the platform.
- Implemented a personal notes section enabling users to create, organize, and track their study notes in one place.
- Designed and developed a leaderboard feature to track user progress and encourage engagement through friendly competition.
- Built a Q/A discussion module allowing users to ask questions, share insights, and engage in knowledge exchange with other members.
- Source code- https://github.com/Saaim25/QuranCompanion
- Hosted Url - https://saaim25.github.io/QuranCompanionMain/

Expense Tracker Application
`React` `Firebase` `HTML` `CSS`

📅 July 2022 – August 2022

- Developed a feature-rich Expense Tracker app using React and Firebase, allowing real-time expense management.
- Implemented functionality to add, categorize, edit, and delete expenses, ensuring accurate financial records.
- Designed an intuitive and responsive user interface for seamless expense tracking and organization.
- Integrated Firebase for data storage and authentication, ensuring data security and smooth user experience.
- Source code: https://github.com/Saaim25/ExpenseTracker/

EDUCATION

B.E in Information Technology
Dy patil institute of engneering and technology,Ambi, Pune

📅 July 2019 – May 2023   CGPA : 8.20

Class XII in HSC
Mahatma Phule Vidyalay, Hosur, Nilanga, Dist-latur

📅 June 2018 – May 2019   Per : 70%

Class X in SSC
Maharashtra vidyalaya, Nilanga, Dist-latur

📅 June 2017   Per : 90%

SKILLS

Languages

`.Net` `C#` `JavaScript` `HTML` `CSS`

Frameworks & Libraries

`.Net Framework` `Blazor` `Angular`

Databases

`MySql` `Supabase`

Version Control

`GIT` `Azure`

Other Software's

`Active Batch` `Crystal Report` `Telerik-Report` `MS-Office`

CERTIFICATION

- Certificate of Excellence Core Java: - Coding Ninjas
- Certificate of Excellence Data structure in Java- Coding Ninjas
- Certificate of Excellence Front End | Full Stack Web Development - Coding Ninjas
- Certificate of Excellence Back End | Full Stack Web Development - Coding Ninjas
